REVIEW OF OPERATIONS

The Indian Economy is projected to grow at 5% for the current fiscal 2013-14, the lowest in a decade. It grew at 6.2% last year as compared to 9.3% in 2010-11. Global economic growth also slowed from 3.9% in 2011 to 3.2% in 2012.

The cumulative production data of the Auto Industry for April-March 2013 shows production growth of only 1.20% over the same period last year. While in March 2013 overall sales fell by (-) 7.76 % over March 2012. (Source: www. siamindia.com) This sluggishness in the Automobile Sector has also affected the performance of the Rubber Industry resulting in reduction in demand and profit margins for your company's products. Your company's turnover also decreased from ₹ 6148.69 Lacs in the last year to ₹ 4397.93 Lacs in the current year. The Profit before tax (PBT) for the period under review has decreased from ₹ 878.08 Lacs in previous year to ₹ 345.07 Lacs in the current year.

In view of current volatility in price of raw materials and foreign currency rates your Company is making all efforts to improve the turnover and profitability in the current financial year.

DIVIDEND

The Board of Directors of the Company recommend, for consideration of shareholders at the 28th Annual General Meeting, payment of dividend of 12 % (₹ 1.20/- per Share) on the Equity Shares of the face value of ₹ 10/- each for the year ended 31st March 2013. The Dividend paid during the previous year was 17% (₹ 1.70 Per Share).

Your company is in the business of manufacturing polymer blends for the rubber & plastics industries, and trading / distribution of complementary product lines to its customers.

The polymer blends are used in the manufacture of petrol hoses, LPG tubing, O-rings, seals & gaskets, printing & textile rollers, cable sheathing, automotive components, etc.

INDUSTRY STRUCTURE

The Rubber industry can be broadly classified in tyre and non-tyre sectors. While tyre sector is dominated by few large tyre companies the non-tyre sector consists of number of medium and small units. This non tyre-sector consists of about 6000 units which manufacture about 35000 different rubber products. The company sells polymer blends to the medium and small scale sector which accounts for over 50% of production of rubber goods in non-tyre industrial products.

Due to fragmented structure of the user industry the market is highly price competitive.

FINANCIAL PERFORMANCE

The financial statements have been prepared in compliance with the requirements to the Companies Act, 1956 and generally accepted Accounting Principles in India.

Fixed Assets

During the year the Fixed Assets increased marginally by ₹ 1.21 lacs.

Inventories

During the year total inventories decreased to ₹ 699.14 Lacs from ₹ 1316.99 Lacs in last year.

Sundry Debtors

The Sundry Debtors are at 17 % of sales as at 31st March, 2013.

Financial performance

Profit before taxation (PBT) for the current financial year is ₹ 345.07 Lacs as compared to profit before tax (PBT) for the previous year ₹ 878.08 Lacs.

OPPORTUNITIES AND THREATS

The Company is continuing to customize and promote its new grades of polymer blends to meet the requirements of domestic and international customers.

However foreign exchange management during the current volatile scenario is critical as the company imports significant portion of its raw material requirements.

OUTLOOK

The growth of the non-tyre sector of the Rubber Industry, where our manufactured products are consumed, is expected to be between 8% -10% per annum. While due to negative growth in the Automobile Industry, your company does not expect any significant improvement in turnover in the current year.

Your company is constantly making efforts to develop new grades and enter new markets to sustain company's growth.

RISKS AND CONCERNS

The price of rubber and other raw materials have been continuously increasing since last two quarters. Further increase in cost of raw materials may impact demand for the company's products and profitability. Secondly, foreign currency fluctuations may also affect the prices of imported raw materials and profitability.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains adequate internal control systems, which provide, amongst other things, adequate support to all its operations and effectively handle the demands of the Company's financial management systems.

The Company has in place effective systems safeguarding the assets and interest of the Company and ensuring compliance with law and regulations. The Company's internal control systems are supplemented by an extensive programme of internal audit conducted by an external auditor to ensure adequate system of internal control.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES OR INDUSTRIAL RELATION FRONT

The Company is maintaining good relations with its employees and currently employs about 33 employees in all categories. The Company values and understands the need for continuous growth and development of its people in order to have greater productivity and provide job satisfaction and also equip them to meet growing organizational challenges. Our Company has genuine concern and top priority for safety and welfare of its employees.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PUNEET RESINS LIMITED

We have audited the accompanying financial statements of Puneet Resins Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the Financial Statement

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2013;
- ii) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- iii) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said order.
- 2. As required by section 227(3) of the Act, we report that:
 - (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
 - (c) the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this report are in agreement with the books of account
 - (d) in our opinion the Balance Sheet, Statement of Profit and Loss and Cash Flow Statement comply with Accounting Standards referred to in section 211(3C) of the Companies Act, 1956.
 - (e) on the basis of the written representations received from the Directors, as on 31st March, 2013 and taken on board by the Board of Directors, none of the Directors is disqualified as on 31st March, 2013 from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956;

Notes on Financial Statement for the Year ended 31st March, 2013

NOTE NO.

1. SIGNIFICANT ACCOUNTING POLICIES :

(I) Basis of accounting and preparation of financial statements:

The financial statements are prepared under historical cost convention, on accrual basis, in accordance with the provisions of Companies Act, 1956 and the accounting principles generally accepted in India and comply with the Accounting Standards notified by the Companies (Accounting Standards) Rules, 2006. All Income and expenditures having material bearing on the financial statements are recognised on accrual basis.

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumption that affects the reported amounts of assets and liabilities and disclosure of contingent liability on the date of financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

(II) Valuation of Inventories:

Stock of raw Materials is valued at lower of cost or net realisable value, cost of which include duties and taxes except those subsequently recoverable from the government authorities. However materials and other items held for use in the productions of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Packing Materials is valued at lower of cost or net realisable value. Work in Progress and Finished goods including stock in trade are valued at lower of cost and net realisable value. Finished goods and work in progress includes cost of conversion and other cost incurred in bringing the inventories to its present location and condition. Cost of inventories are computed on a weighted-average basis.

(III) Depreciation and Amortisation:

Tangible Assets

Depreciation on Fixed Assets has been provided on the following basis:

- a. Straight Line Method basis for Vadivare unit at the rates and in the manner prescribed under Schedule XIV of Companies Act, 1956.
- b. Written Down Value basis for Satpur Unit at the rates and in the manner prescribed under Schedule XIV of Companies Act, 1956.
- c. Lease hold Land is being amortized over the period of lease.

(IV) Revenue Recognition :

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- (a) Revenue from sale of goods is recognized when all the significant risk and rewards of ownership of the products are passed on to the customer. The sale value is exclusive of excise duty, sales tax, trade discounts, sales returns and liquidated damages if any.
- (b) Revenue in respect of service is recognised when services are performed in accordance with the terms of contract with customers.
- (c) Dividend income is recognized when the right to receive dividend is established.
- (d) Interest income is recognized on the time proportion basis, taking into account the amount outstanding and the rate applicable.
- (V) Fixed Assets :- Tangible assets Tangible assets (excluding leasehold land which is carried at cost) are stated at cost of acquisition or construction less accumulated depreciation. Cost includes the construction/ purchase/acquisition cost and other directly attributable cost to bring the assets to its present working condition reduced by duties subsequently recoverable. Direct costs are capitalised until fixed assets are ready to use.

(VI) Foreign Currency Transactions :

Transaction in foreign currency are recorded in rupees by applying the exchange rate on the date of transaction. The exchange differences arising on actual settlement of the transactions are recognized in

the statement of Profit and Loss during the year. Monetary assets and liabilities in foreign currencies, which are outstanding as at the year end, are translated at the closing rate and the resulting exchange differences are recognized in statement of profit and loss.

Derivative Instruments

Derivative contracts are entered into by the company based on underlying transactions.

(VII) Accounting of Investments:

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments. Current Investments are valued at lower of cost or realisable value determined on individual basis. Long term investments are stated at cost less provision, if any, for decline other than temporary in their value.

(VIII) Employees' Benefits:

a) Short Term:

Short term employee benefits are recognised in the statement of profit and loss as expenses at the undiscounted amount in the period during which the services have been rendered.

b) Long Term:

Defined Contribution Plan.

Employees benefits in the form of employees provident scheme and employees state insurance scheme are recognised in the statement of profit and loss on accrual basis.

Defined Benefit Plan:

Retirement Gratuity for employees, is funded through a scheme of Life Insurance Corporation of India. The excess/ shortfall in the fair value of the plan assets and/or the present value of obligation calculated as per actuarial method as at balance sheet dates is recognised as a gain/ loss in the Statement of Profit and Loss. Leave encashment liability is provided at the year end on account of unavailed earned leave as per the actuarial valuation as per Projected Unit Credit Method.

(IX) Borrowing costs :

Borrowing cost that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised as an expense in the period in which they are incurred.

(X) Leases : Operating Lease Assets used under lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified operating leases. Lease rentals are charged to the Statement of Profit and Loss on a straight line basis over the period of the lease.

(XI) Earning per share :

The basic earnings per share is calculated by dividing the profit attributable to the shareholders for the year by the weighted average number of equity shares outstanding during the reporting period.

(XII) Taxes on Income:

Tax expenses comprises of current tax and deferred tax (charge or credit). Current income tax is measured at the amount expected to be paid to the authorities in accordance with the Income -Tax Act, 1961. Deferred tax expenses or benefits is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. Deferred tax assets in respect of unabsorbed depreciation and carry forward losses are recognised only to the extent that there is virtual certainty that sufficient taxable income will be available to realise these assets. All other deferred tax assets income will be available to realise these assets. At each Balance Sheet date, the carrying value of amount of deferred tax assets are reviewed to reassure realisation.

(XIII) Impairment of Assets:

The carrying amounts of assets are reviewed at each Balance Sheet date for indicators of impairment based on an internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the assets net selling Price and

value in use. In assessing the value in use, the estimated future cash flows are discounted to present values, based on their market rates of borrowing. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on the changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation, if there was no impairment.

(XIV) Provisions and contingencies:

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made based on technical evaluation and past experience. A Contingent Liability is disclosed when the Company has a future or present obligation & where it is not probable that an outflow resources will be required to settle it. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect correct management estimate. Contingent assets are neither recognised nor disclosed.

25.1 Employee Benefits

The Company has a defined benefit plan. Every employee who has completed five years or more of service gets a Gratuity based on the 15 days last drawn basic salary for each completed year of service. The scheme is funded with an insurance company in the form of a qualifying insurance policy.

The Company has a defined unfunded obligation for leave encashment. Generally the leave encashment is paid to employees as and when claimed.

The following tables summarise :
